Mr. Kevin Mayer
Superfund Division, USEPA Region 9
75 Hawthorn Street (SFD-7-2)
San Francisco, CA 94105

Dear Kevin:

Thank you for sharing the Kerr-McGee information with us. Hopefully we can make good use of it, if Met is selected to conduct the perchlorate occurrence study. So far, we have not heard anything from AWWARF.

Enclosed is the list of facilities we used to generate the map of perchlorate manufacturers and users.

Please call me at (909) 392-5089 if you have any questions.

Sincerely,

Hsiao-Chiu Wang
